August 28, 2009

Dear Ms. Postupack,

We appreciate your participation in the endorsement process of the Hudson Valley Area Labor Federation. After careful consideration of your positions on key labor issues that affect working families in your district, the Upper Hudson Central Labor Council has endorsed your candidacy. Thank you for the time you have spent to educate our members about your policy positions and vision for the future.

We are confident that your decisions as an elected official will reflect the values of working families throughout Ulster County. Helping working families to achieve a better quality life is the mission of the Hudson Valley Area Labor Federation and the Central Labor Council. We carefully follow the positions that elected officials take on key issues such as the right of workers to organize, project labor agreements, living wages, quality education, occupational safety and health legislation and other issues that impact the lives of working men and women.

You are also encouraged to reach out to our local unions for financial assistance and individual endorsements. As a labor movement, we will work together to ensure higher voter turnout in your district by reaching our membership with calls, mailings, and worksite communications in a coordinated labor campaign. We look forward to working with you to ensure that our local government represents the interests of working families in Ulster County. Good luck on your fall campaign!

Yours truly,

Paul Ellis-Graham, President
Hudson Valley Area Labor Federation

John Nilsen, President
Upper Hudson Central Labor Council
